S&P Global Market Intelligence Bolsters Platforms; Sets to Add Real-Time News Coverage from Dow Jones

NEW YORK, April 7, 2021 /PRNewswire/ -- S&P Global Market Intelligence, the division of S&P Global that provides data, essential insights and powerful analytics to help navigate the financial markets, today announced that it is partnering with Dow Jones to provide trusted, real-time market news content.

The partnership will give S&P Global Market Intelligence customers access to premium news from Dow Jones Newswires, and select content from *The Wall Street Journal, Barron's*, and *MarketWatch*. S&P Global Market Intelligence will also distribute Dow Jones's Chinese- and Japanese-language newswire content.

"We are excited to partner with Dow Jones, one of the premier global news providers, to deliver seamless, market-moving content that our clients can capitalize on to navigate business changes and complexities," said **Sarah Cottle, Global Head of Insight at S&P Global Market Intelligence**. "Dow Jones' world-class editorial coverage will complement S&P Global Market Intelligence's expertise in creating data-driven insights and sector-focused analysis, enabling us to deliver differentiated content to the market."

"Financial professionals around the world rely on Dow Jones's content to spot trading and investment opportunities and better serve their clients," said **William Ashworth, general manager, global partnerships, for Dow Jones's business information services division**. "By integrating our up-to-the-minute market news directly into the S&P Global Market Intelligence platforms, S&P Global is adding more value for customers, making for a better user experience and helping them make even smarter decisions."

Content from Dow Jones will become available for S&P Global Market Intelligence clients as part of their subscription plan later this year. This collaboration is part of S&P Global Market Intelligence's ongoing commitment to deliver superior customer experience, helping them stay on top of rapidly evolving market dynamics.
