

S&P Global to Suspend Commercial Operations in Russia

NEW YORK, March 9, 2022 /[PRNewswire](#)/ -- In light of Russia's ongoing invasion of Ukraine, S&P Global has decided to suspend commercial operations in Russia. As a provider of independent news, research, benchmarks, and analytics, S&P Global will continue to play our essential role in global markets by providing critical information on Russian markets for our customers to make important decisions. As a purpose-led organization we believe in doing the right thing. As we take these steps our primary concern is the wellbeing of our people and we will continue to provide them with the necessary support.

About S&P Global

S&P Global (NYSE: SPGI) provides essential intelligence. We enable governments, businesses and individuals with the right data, expertise and connected technology so that they can make decisions with conviction. From helping our customers assess new investments to guiding them through ESG and energy transition across supply chains, we unlock new opportunities, solve challenges and accelerate progress for the world.

We are widely sought after by many of the world's leading organizations to provide credit ratings, benchmarks, analytics and workflow solutions in the global capital, commodity and automotive markets. With every one of our offerings, we help the world's leading organizations plan for tomorrow, today.
