S&P Capital IQ Pro's New Upgrade Enhances Content Accessibility, Improves Personalization and Delivers AI-Enabled Search Experience

NEW YORK, Oct. 3, 2023 /PRNewswire/ -- S&P Global Market Intelligence, a provider of information services and solutions to global markets, announced today the latest updates to its S&P Capital IQ Pro platform to include enriched content accessibility, improved personalization and an artificial intelligence (AI)-enabled search experience.

"Over the past 18 months, we have introduced a significant array of new content to S&P Capital IQ Pro, bringing fixed income, private markets, fundamentals, sustainability and economic data from the merger with IHS Markit onto this flagship platform," said **Warren Breakstone, Head of Desktop & Channel Solutions at S&P Global Market Intelligence.**"With this release, we have turned our attention to the user experience, making it easier and faster for users to find the data for their needs, focusing on improved search relevancy and enhanced search capabilities enabled by AI."

The flagship platform's latest updates include the following enhancements:

- Improved search capabilities enabled by AI;
- Personalized News Page experience;
- Extractable tables from Investment Research to streamline workflow processes;
- Enhanced Financial Multiples dataset with charting capabilities;
- New Mapping functionality that enables customizable data visualizations of key locations;
- Further extension of ChartIQ visualizations and charting to new areas of the platform.

This is S&P Capital IQ Pro's fourth major release this year as earlier updates to the platform focused on integrating and delivering content from IHS Markit including loan pricing and analytics, Purchasing Managers' Index™ (PMI) headline indicators and country risk scores and economic data.
