

# S&P Global Recognized Among America's Greenest Companies by Newsweek

NEW YORK, Nov. 13, 2023 /PRNewswire/ -- S&P Global today announced its inclusion in the [America's Greenest Companies](#) 2024 ranking by Newsweek (in partnership with Plant-A Insights Group and GIST Impact). The list recognizes the top companies in the United States for progress in positively changing their sustainability footprints. Newsweek's Greenest Companies evaluation is based on greenhouse gas emissions, water usage, water generation, waste generation, and sustainability data disclosure and commitments.

"We are delighted to be acknowledged with this accolade recognizing our long-standing commitment to sustainability," said **Dimitra Manis, Chief Purpose Officer, S&P Global**. "We know that both our people and the next generation of the workforce deeply value environmental sustainability and we are committed to accelerating our progress in this field."

S&P Global has been honored to receive several further recent awards recognizing its commitment to Corporate Responsibility, Sustainability and Diversity, Equity and Inclusion, including:

- **Newsweek** - [America's Greatest Workplaces for 2023](#)
- **Seramount** - [2023 100 Best Companies](#)
- **Dave Thomas Foundation** - [2023 Best Adoption-Friendly Workplace](#)
- **INvolve** - [2023 Outstanding LGBTQ+ Role Model Lists](#) feature three S&P Global people

"Our 'People First' philosophy enables us to build a more inclusive and equitable culture driven by our core values of Discovery, Partnership and Integrity. It is this culture and focus on our people that truly sets us apart," added **Manis**.
