"Delivering actionable, premium research through Capital IQ platforms is central to the value we provide our clients," said **Warren Breakstone, Head of S&P Capital IQ Solutions, S&P Global Market Intelligence**. "The addition of Baird research demonstrates our continued commitment to providing differentiated insights on companies and industries across the globe."

"S&P Global Market Intelligence reaches new audiences for us, helping Baird build deeper connections with decision-makers across all of the markets we cover," said **David Tarantino, Baird's Director of Research**.

Baird research has been available on S&P Global Market Intelligence's Capital IQ and Capital IQ Pro platforms on a Real-Time Research basis to approved clients since 2014, with more than 75,000 reports available. The entire collection is now accessible to S&P Global clients with an Aftermarket Research license.

Baird enhances S&P Global Market Intelligence's deep Aftermarket Research collection, which contains more than 35 million reports from more than 1,800 investment banks and independent research providers, including J.P. Morgan, UBS, Barclays, Citigroup – and now Baird, making it the only Aftermarket Research library to feature Baird's content.

The S&P Global Aftermarket Research offering continues to expand, providing greater coverage of companies and industries globally, with leading research providers from more than 190 countries. Over the past 12 months, S&P Global Market Intelligence has added more than 45 new Aftermarket Research contributors, including Degroof Petercam, ABG Sundal, EFG Hermes, and HDFC.
