

S&P Capital IQ Pro Expands Fixed Income and Gen-AI Powered Summarization Capabilities

The latest release includes the addition of 19.4 million fixed income securities, reference data and pricing across government, sovereign, agency and corporate securities

NEW YORK, June 20, 2024 /[PRNewswire](#)/ -- S&P Global Market Intelligence, a provider of information services and solutions to global markets, announced today the latest updates to its [S&P Capital IQ Pro](#) platform featuring the addition of more than 19.4 million fixed income securities with full reference data, pricing and analytics, along with GenAI-powered earnings transcript summarization capabilities and enhanced private markets and segment data.

"This latest release underscores our commitment to continually innovate with new technologies and capitalize on the synergies from our merger with IHS Markit," **said Warren Breakstone, Head of Capital IQ Solutions at S&P Global Market Intelligence.** "The addition of robust fixed income content further expands the value proposition of S&P Capital IQ Pro and the introduction of earnings call transcript summarizations, along with further advancements in AI-powered platform search capabilities, creates new efficiencies for our users."

S&P Global Market Intelligence's flagship platform's latest offerings include the following additions:

- Enhancements to the platform's pricing, analytics and reference data coverage with the addition of more than 19.4 million fixed income data, inclusive of government, supranational, agency and corporate securities;
- Introduction of transcript summarization capabilities, leveraging GenAI and machine learning models, offering users a comprehensive overview of an earnings call by providing a summary of the transcript organized by topics and sentiment;
- Continued expansion of deep industry-level and segment-specific data across banking, energy, insurance, real estate and technology, media and telecommunications (TMT);
- Enabled seamless notifications of event updates by enhancing ability to automatically sync corporate and industry events within the platform's events calendar with users' personal calendars.

S&P Capital IQ Pro's previous updates to the platform highlighted [AI-enabled search experience](#) and the integration of IHS Markit content including [loan pricing and analytics](#), [Purchasing Managers' Index](#)™ (PMI) indicators and [country risk scores and economic data](#). Last month, S&P Global [announced](#) the successful completion of the acquisition of Visible Alpha, creating a premium offering of fundamental investment research capabilities to be offered as an add-on to S&P Capital IQ Pro.
