

S&P U.S. Indices Eligible Exchanges Methodology Update

NEW YORK, May 27, 2026 /PRNewswire/ -- S&P Dow Jones Indices ("S&P DJI") announces a methodology change to the S&P U.S. Indices' list of eligible exchanges.

To support the indices' objective of measuring the market performance of U.S.-domiciled stocks trading on U.S. exchanges, S&P DJI will add the Texas Stock Exchange ("TXSE") as an eligible exchange for the S&P U.S. Indices. TXSE has announced a target date of July 6, 2026, for the launch of continuous trading. Accordingly, effective upon the commencement of continuous trading on TXSE, the exchange will be added to the list of eligible exchanges in the S&P U.S. Indices Methodology.

This change is not expected to have any immediate impact on the indices. Upon effectiveness, securities listed on TXSE may be considered eligible for inclusion in the S&P U.S. Indices, subject to meeting all other applicable index eligibility criteria.
